

HERNIALINK

CULTIVATE # NURTURE # GROW

We are delighted to invite you to our 2nd Virtual International Hernia Symposium from 17 - 19 May, 2021.

CLICK HERE TO REGISTER NOW

The symposium will be broadcast on the herniaU educational platform:

<https://www.herniaU.com/>

Even during the toughest of climates our quest to advance and deliver the highest level of professional medical education continues. To cultivate, nurture and grow surgical knowledge and expertise is our focus, so that we can keep on evolving and advancing the world of hernia surgery.

Over three consecutive days our excellent speakers will share their best daily practise in Inguinal, Ventral and Hiatal Hernia Repair.

We look forward to welcoming you into the next Virtual #IHS21.
